# Patient Portal Consent

This practice is offering our patients easy and private access to their medical information online. You can view your personal health record whenever and wherever you have access to the internet. You will be able to access:

- **Appointments**: request and keep track of appointments
- **Lab Results**: access and view lab results
- **Medication**: request prescription refills
- **Medical Records**: view your personal health record
- **Messages**: send and receive NON urgent messages from staff
- **Reminders**: receive health reminders
- **Referrals**: request referrals

**Patient Portal Agreement:**

Through our Electronic Health Record (EHR), I will have access to the "Patient Portal" for obtaining my medical record data. Information provided on the "Patient Portal" is "AS-IS" and without any warranty as to its reliability, accuracy and timeliness. Patient may request update and or correction but any changes would be at the discretion of the provider. The Practice will endeavor to protect the privacy of all individuals. Please allow up to 3 business days for a reply if a message is sent via the "Patient Portal". If you do not get a response in that time frame, please contact the office directly at 410-766-8911.

**Printed Name of Patient or Representative**          **Personal Email Address**

**Signature of Patient or Representative**                       **Date**
